

## A Report On “Swachh Bharat Abhiyan”

Youth Red Cross Unit of Srusti Academy of Management organized a Swachha Bharat Abhiyan on 19.4.2018 at the village of Padmakeharpur in the Kalarahanga Grama Panchayat. The sanitation habit of the village was very poor. In order to make the villagers aware of the hygienic environment and a healthy environment Youth Red Cross Unit of Srusti Academy of Management

undertook this event. In this respect Youth Red Cross volunteers under the able leadership of Youth Red Cross Counsellor Prof. Parshuram Mishra and Mr. J. Nanda planned the programme to take up three types of swachhata related tasks in the village. The volunteers undertook following activities in the village in the presence of Ms.Pankajini Dalapati, Sarpanch Kalarahanga Gram Panchayat.

**1. Swachhata Safei:** A Cleanliness drive to make the roads clean from garbages. YRC Volunteers and Counsellor, and other staffs cleaned the main road from decomposed garbage with dirty smell. They spread bleaching powder and phynile on the the road to make the area sanitised.

**2. Swachhata Survey:** A survey work conducted in the village by visiting to various families situated in the vicinity of the area. The purpose of the survey work was to know the sanitation habits of the people in the area and various reasons of poor sanitation practices. It also aims at finding solution after understanding reasons. During this survey volunteers made awareness on good sanitation Habbits.

**3. Swachhata Awareness:** An awareness meeting was organized among the villagers to make them aware about good sanitation habits. Various schemes of the central and state Governments were highlighted in the meeting. They were suggested to take advantage of various schemes of Swachha Bharat Abhiyan. Around thirty numbers of volunteers, staffs and faculty members were engaged in the programme. The programme was co ordinated by YRC Counsellor of the Institute Prof. Parshuram Mishra and Mr. Jitendu Nanda.
